Dear Friends,

We are pleased to receive your memorial contribution of $50.00 to ARRL's Education & Technology Program in memory of your friend Dick McNew, WB9PTC. Your contribution honoring Mr. McNew is a fitting tribute to his enthusiasm for Amateur Radio and provides a legacy to share Amateur Radio in the education of the next generation Thank you.

We will put your donation to work to provide radio equipment, a resource bookshelf and professionally developed curricula in schools nationwide. We have learned from the experiences of our pilot schools how Amateur Radio can best be incorporated in the classroom, and now we are ready to expand our outreach, introducing our curricula into even more classrooms, enrichment programs and after-school programs. Our goal is two-fold…to tell the exciting story of Amateur Radio to a new generation and to inspire students to realize their potential with Amateur Radio as a catalyst for learning in science, mathematics, social studies, language arts and so much more.

Thank you for your generosity.

Sincerely,

Mary M. Hobart, K1MMH
Chief Development Officer
